Forecast For East of England
Issued by Met Office Exeter
at 1600 on Friday 29 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Increasingly clear this evening, cloudy with rain into Saturday morning.

This Evening and Tonight:
Mainly fine during the evening and overnight, with a small chance of the odd shower. Becoming cloudier in western parts to end the night, with a strengthening breeze generally. A chance of rain by dawn. Minimum temperature 8 deg C (46 deg F).

Saturday:
Cloudy, breezy and wet to start, as a band of rain spreads eastwards. This may turn heavy briefly before clearing eastwards later on, allowing some limited late sunny spells. Maximum temperature 15 deg C (59 deg F).

Outlook for Sunday to Tuesday:
Successive bouts of wet and windy weather making progress eastwards leading to temperatures below average. Some sunny spells are also likely, these perhaps most widespread on Monday.
